

WELCOME TO HUMBLEHOST!

Please use this form for the following -

1. Apply for hosting and domain packages
2. Purchase other domains
3. Purchase other hosting services

Our servers have an uptime rating of 99.8% and they are Australian, meaning your pages will be viewed quicker to an Australian audience.

We also provide CPanel access to all our hosting accounts giving you access to the features that matter the most - managing your email accounts, webmail, MySQL, statistics, forwarding, autoresponders and other great features.

When you have completed this form, please either fax to f (07) 3041 0213 or scan and email to support@humblehost.com.au

All emailed/faxed applications are processed within 1 working day.

Please allow up to 2 days for all hosting to become operational.

Be sure that all pages are included and necessary questions completed.

Please note:

When purchasing an .au domain name, your business name must contain or be part of your domain purchase. If it does not contain part of your business name, your application will be rejected. You must provide your ABN, business name or company name to prove your connection to the proposed domain.

Terms and conditions:

HumbleHost provides a variety of hosting services, including web hosting (linux based), mail hosting, database services and URL forwarding. Since these services use resources that are shared by many users, the benefits of using the service must be balanced with certain obligations and responsibilities to ensure that all users have a productive experience. Minimum purchase price for any hosting option is \$140. Exit fees may apply if you prematurely leave this service.

By using these services, you agree to be bound by the terms and conditions; you agree to indemnify and hold harmless HumbleHost from any loss, liability, claim, damage and expense arising to your content or use of any service provided by Humble Host. If you are not satisfied with these terms and conditions, then you must discontinue use of our hosting services.

Please also note, that if you wish to terminate your hosting services and wish to keep your domain, you must purchase this domain from HumbleHost at our standard domain prices. Once this is paid for, your domain can be transferred to a different manager. This process does take between 24-72hours.

If your application is for a 'Free Year' promotion, please note that you are contracted to Humble Host for 24 months. Should you wish to transfer your domain/hosting during this period, an exit fee of \$60 will be applicable.
